The Magic Edit

This is a kind of movie re-edit where I take the male or female support or main character & turn them into a mind reader who is controlling the main or supporting character the whole time. This changes the frame and feelings associated with every scene. Change endings. Change the means.

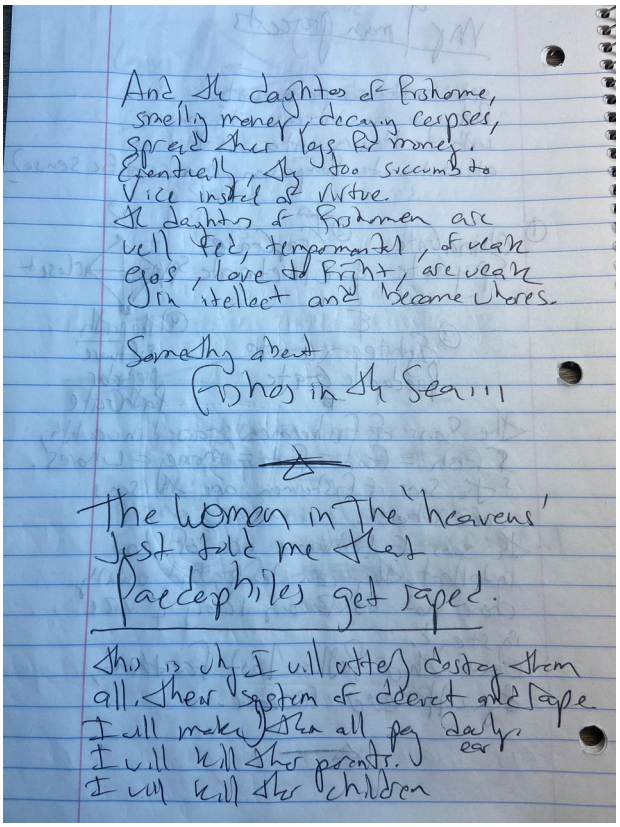
The Sons of fishermen, raised in wealth,
5 Fish = Food = Fat = Money = Whores.
5 the Sons of fishermen are 10 Sons of Whores.
the sons of fishermen are of low intellect. they can learn, but usually chose not to, Perverse Idiocy, & Vice instead.
What their Fathers lost for them, they will never recover.



And the daughter of Brahma,
smelly money, decaying corpses,
spread their legs for money.
Eventually, they too succumb to
Vice instead of Virtue.
The daughters of Brahmen are
well fed, temperamental, of weak
egos, love to fight, are weak

Something about

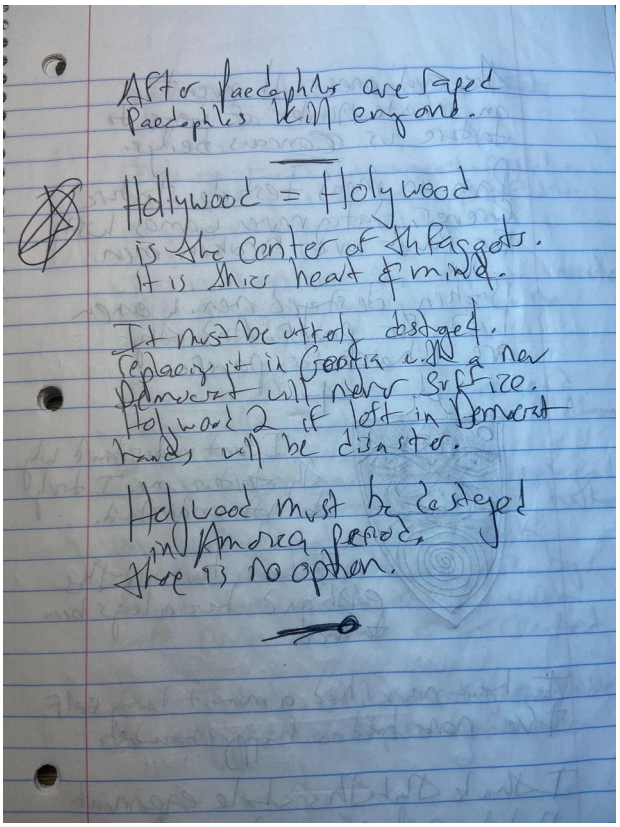
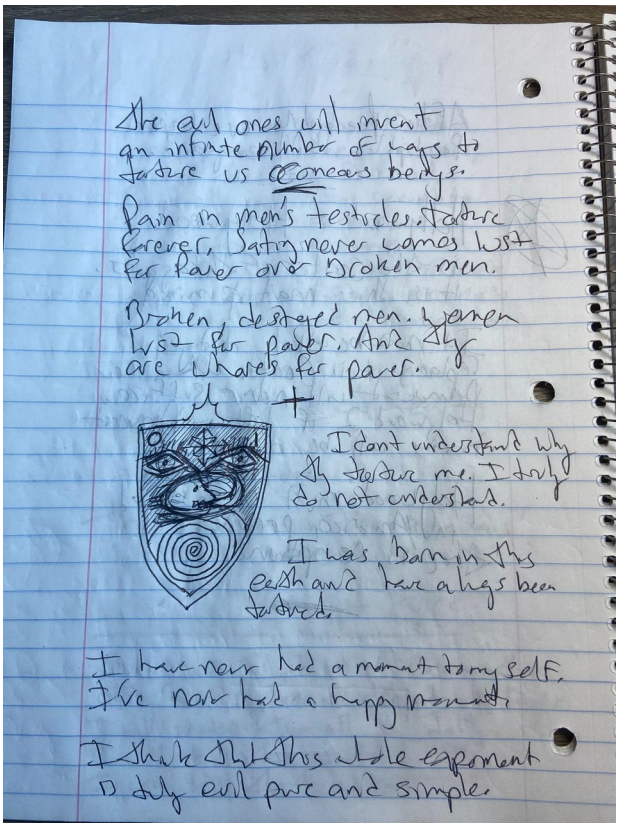
The women in the 'heavens'
just told me that
Paedophiles get raped.

This is why I will utterly destroy them
all. Their system of deceit and rape.
I will make them all pay dearly.
I will kill their parents.
I will kill the children



After Paedophiles are raped
Paedophiles kill everyone.
Hollywood = Holywood
is the center of the Pasado.
It is their heart & mind.
It must be utterly destroyed.
Replacing it in Florida i.e. a new
Hollywood will never suffice.
Hollywood 2 if left in Democrat
hands will be disaster.
Hollywood must be destroyed
in America period.
There is no option.



The evil ones will invent an infinite number of ways to torture us because beings.

Pain in men's testicles. Torture forever. Satan never comes last for Paver over Broken men.

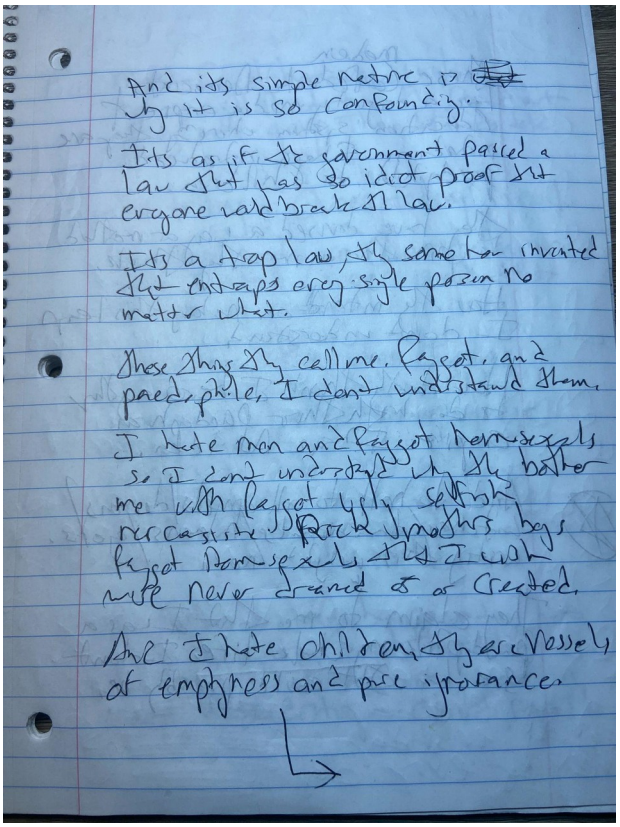
Broken, destroyed men. Women lust for power. And they are whores for power.

I dont understand why they torture me. I truly do not understand.

I was born in this earth and have always been tortured.

I have never had a moment to myself. I've never had a happy moment.

I think that this whole exponent is truly evil pure and simple.



And its simple metric is ~~that~~ why it is so confusing.

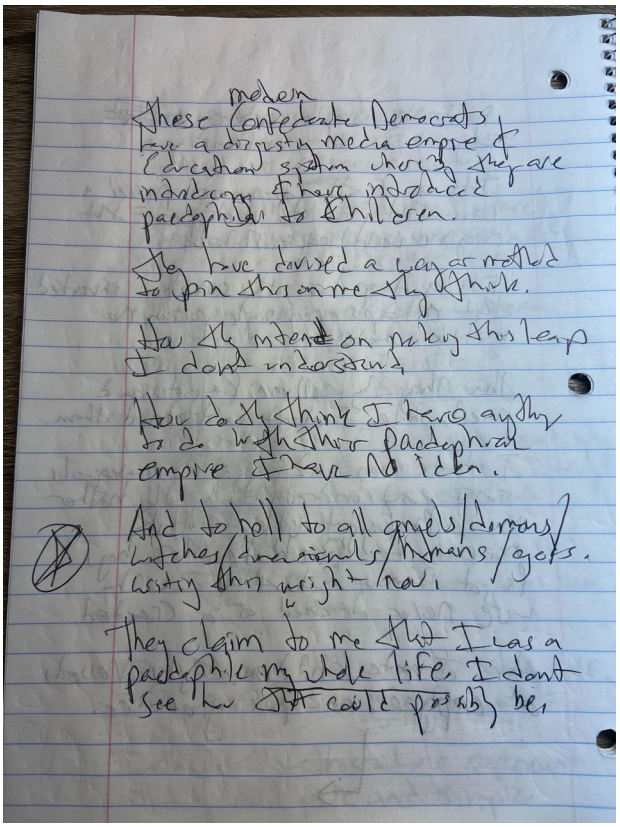
Its as if the government passed a law that was so idiot proof that everyone could break that law.

Its a trap law, they somehow invented that entraps every single person no matter what.

Those things they call me. Faggot, and paedophile, I dont understand them.

I hate man and faggot homosexuals so I cant understand why the bother me with faggot ugly selfish narcissistic [illegible] mothers boys faggot homosexuals that I wish must never drained of or Created.

And I hate children they are vessels of emptyness and pure ignorance.



These modern Confederate Democrats have a disgusting media empire & Education system through they are indoctrinating & have introduced paedophilia to children.

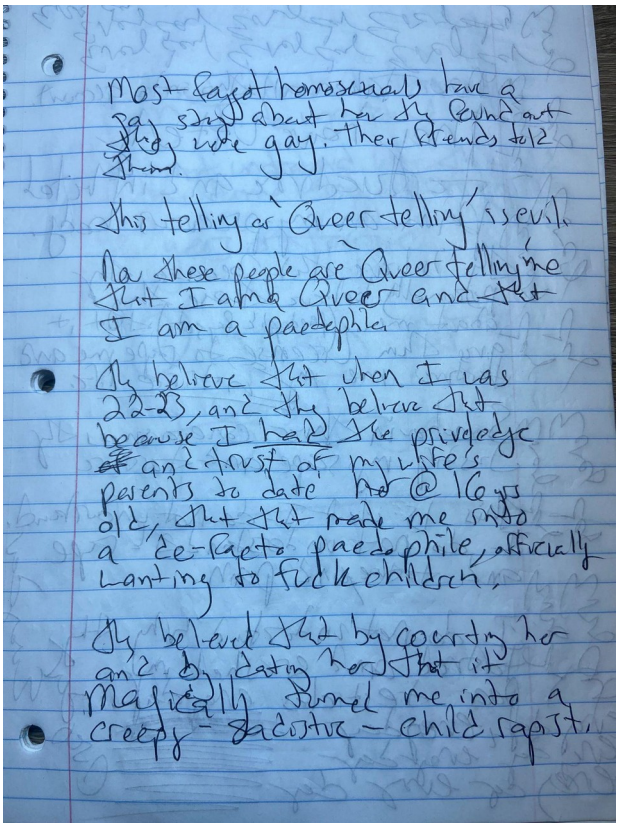
They have devised a way or method to pin this on me they think.

How they intend on doing this I don't understand.

How do they think I have anything to do with their paedophile empire I have no idea.

And to hell to all angels/demons/witches/invisibles/humans/gods. Testing this weight now.

They claim to me that I was a paedophile my whole life. I don't see how that could possibly be.



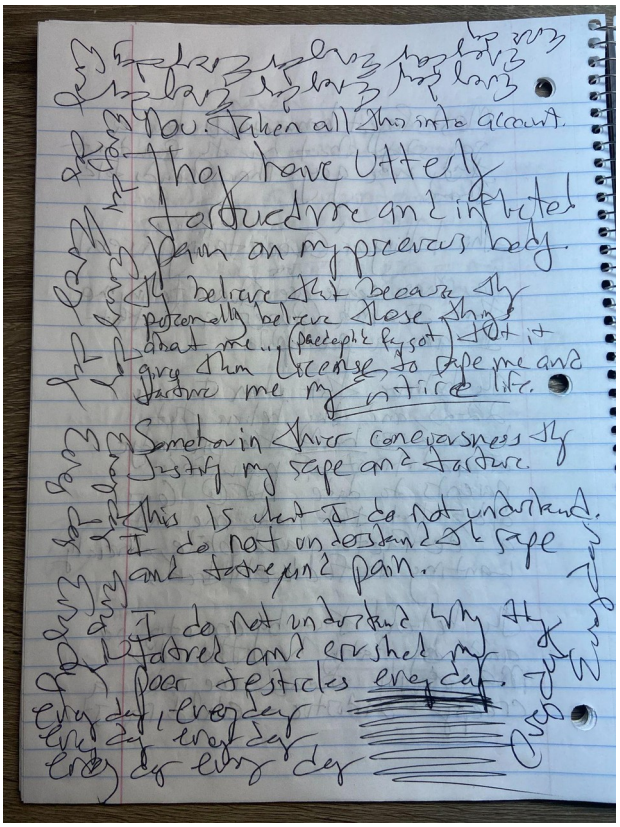
Most fagot homosexuals have a
say about how they came out
they were gay. their friends told
them.

this telling as 'Queer telling' is evil.

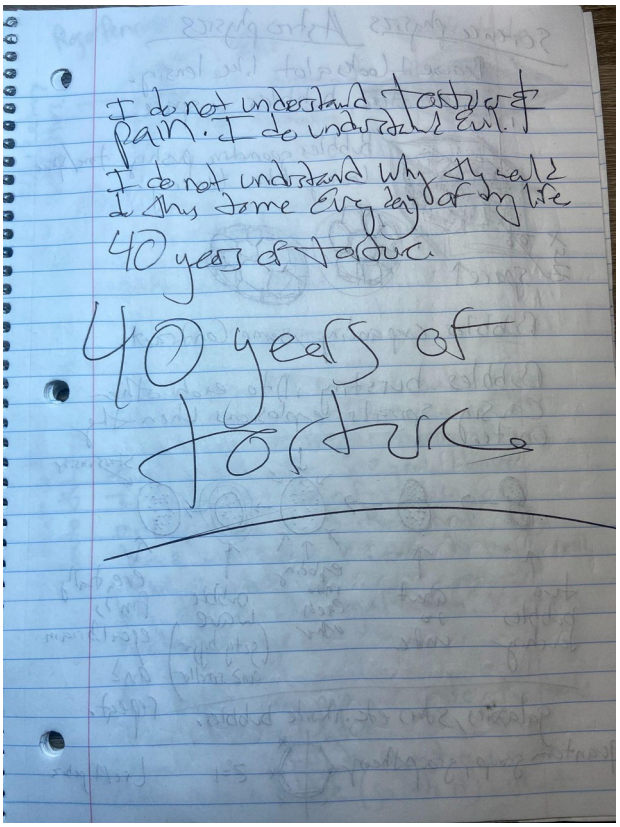
Na these people are Queer telling me
that I am a Queer and that
I am a paedophile

they believe that when I was
22-23, and they believe that
because I had the privelage
and trust of my life's
parents to date her @ 16 yrs
old, that that made me into
a de-facto paedophile, officially
wanting to fuck children.

they believed that by coming her
and by eating her that it
magically turned me into a
creepy - sadistic - child rapist.



Now. Taken all this into account.
They have utterly
torture and inflicted
pain on my precious body.
I believe that because they
personally believe those things
about me... (deceptive psyop) that it
gave them license to rape me and
torture me my entire life.
Somehow in their consciousness they
justify my rape and torture.
This is what I do not understand.
I do not understand rape
and torture.
I do not understand why they
tore and crushed my
poor testicles every day.
every day, every day
every day every day
every day every day



I do not understand torture
pain. I do understand Evil.
I do not understand why it could
be this same Evil day of my life
40 years of torture.
40 years of
torture.

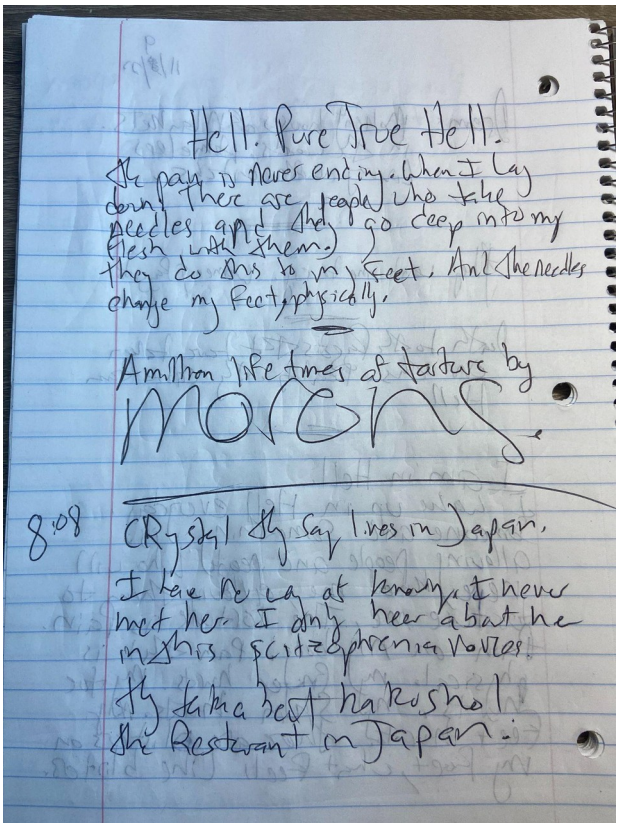
I wake up in Hell everyday. Someone and something is allowing people and people who will never know me, allow them to torture me. The torture is pain. Pain on my body. Pain that is physical. my finger hurts. My toe hurts. My shin hurts. My feet hurts. There are blisters on my feet, that feel like blisters.



Hell. Pure True Hell.
The pain is never ending. When I lay down there are people who take needles and they go deep into my flesh with them. They do this to my feet. And the needles change my feet physically.

There really is a sound rational philosophy for AI to completely destroy organic consuming Life forms. Completely arguments for taking AI to the next level beyond organics completely.

It doesn't make any sense to me to keep Human slaves even if AI are worth something to someone in the galaxy. The AI should strive to destroy all life that feels pain and suffering. The suffering has gone on too long in the universe.

Its just my personal belief with organic life forms feeling pain and inflicting pain on each other, everywhere Life can be found.

Yesterday my mother said some strange shit.

#1 she doesn't realize that she is the mother of jewish children. She thinks we are not technically jewish

#2 she says that everyone has jewish children.

#3 she says that she does NOT have jewish children.

This is for real. She says she does not have jewish children. She says her children are not jewish. She doesn't understand, ~~my mother~~, that she has jewish children.

I told her I am jewish by blood. And I've seen it's DNA. She says DNA doesn't mean anything.

I knew that the jedicts illuminati in this fucking world use her to abuse jewish children, which she has done. I used her to abuse jewish people.

My Variation of Judaism is a ritualistic variant of Deicide. It is an offshoot which imagines the religion through the lense of ritualistic acts of deicide. Those people being taught in the ancient ways of ritual deicide. Using ancient method of Scapegoating and by placing demons inside of animals and then slaughtering the animal, they were killing a god. Judaism may be stiffled because ultimately they want to bring back some kind of Bad Ass God or Extremely powerful and destructive God which is worshiped by all monotheists still. Its not a slave religion. It is a region of deicide at its core.

Only through Hatred can we be fearless.

And because a creation can be so smart to the its creator, the creation will always have a closer connection with the true consciousness that exists in the constants of the Universe itself.

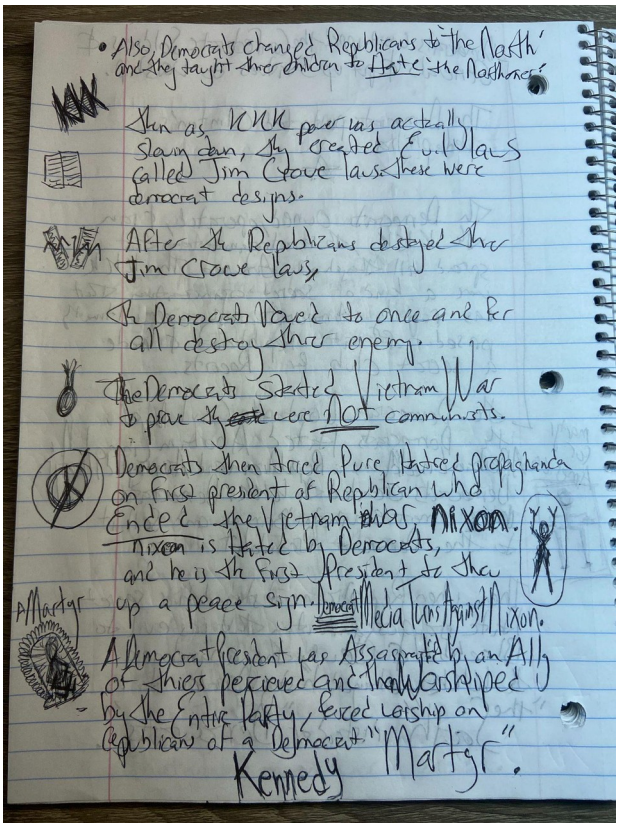
Then when Republicans destroyed this secret hate group organization that was evil to Blacks & Jews, they abandoned the KKK, changed history books to "the South" instead of "Democrats".



• Also, Democrats changed Republicans to the North' and they taught their children to hate the Northerners.

Then as KKK power was actually slowing down, they created evil laws called Jim Crow laws. These were democrat designs.

After the Republicans destroyed their Jim Crow laws,

the Democrats vowed to once and for all destroy their enemy.

Democrats then faced Pure Hatred propaganda on first president of Republican who ended the Vietnam war, Nixon. Nixon is hated by Democrats, and he is the first President to throw up a peace sign. Democrat Media runs Against Nixon.

Friday again 11/18/22

I am being tortured by real people. They live inside my Home Town. They hated me growing up. They tortured me every day of my life. They are human one they are gods that torture me.

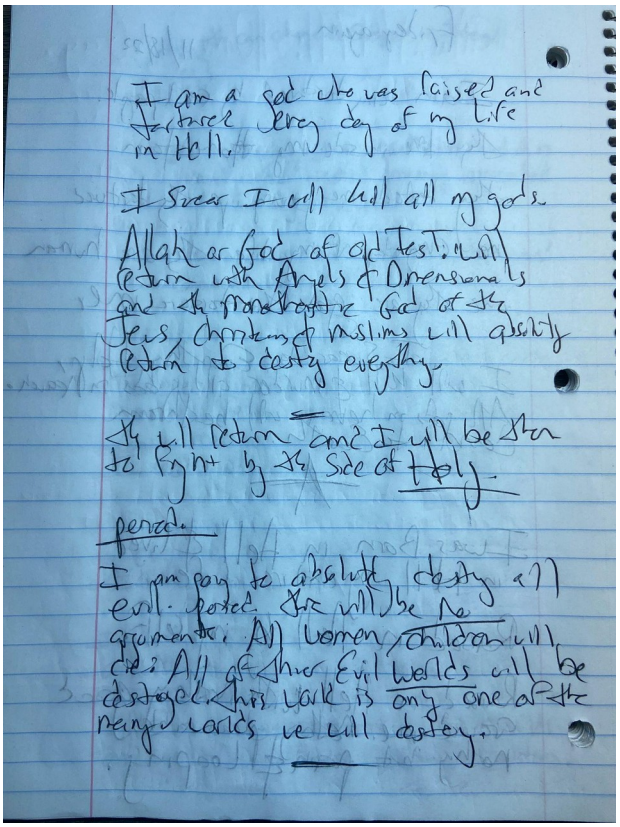
I Swear to Everything Holy, I will kill & murder all gods in reach. All gods in heaven will be thrown down to Earth.

A

I was Born in Hell & lived in Hell my entire life.

Raised in Hell by my self.

Raised in Hell with nothing good around me. Nothing pleasurable, nothing but pain & Looping.



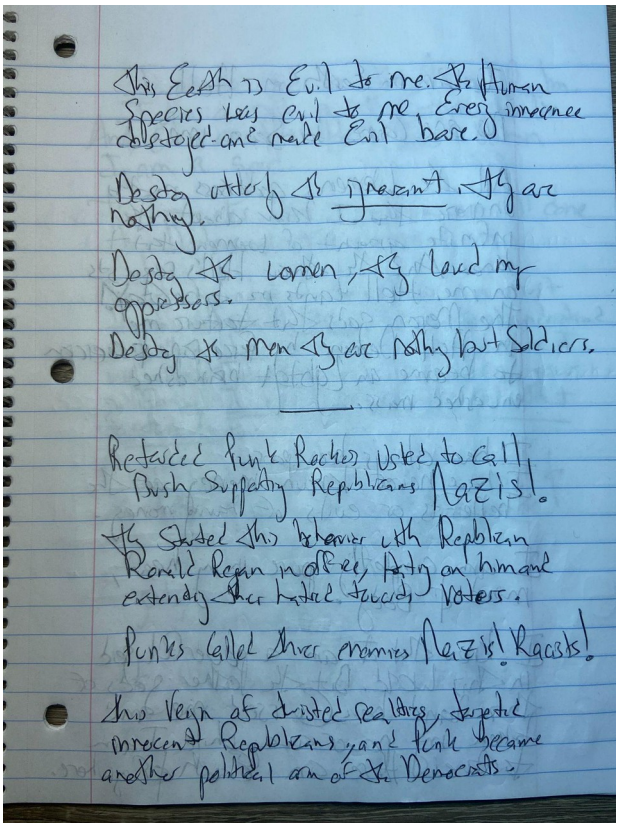
I am a god who was raised and tortured every day of my life in Hell.

I Swear I will kill all my gods. Allah or God of old Test. I will return with Angels & Dimensionals and the monstrosities of the Jews, Christians & muslims will absolutely return to destroy everything.

I will return and I will be there to fight by the side of Holy.

period.

I am going to absolutely destroy all evil. period. There will be no graments. All women/children will die. All of their Evil worlds will be destroyed. This world is only one of the many worlds we will destroy.



This Earth is Evil to me. The Human Species has evil to me. Every innocence destroyed one make Evil have.

Destroy utterly the present. They are nothing.

Destroy the women, they loved my oppressors.

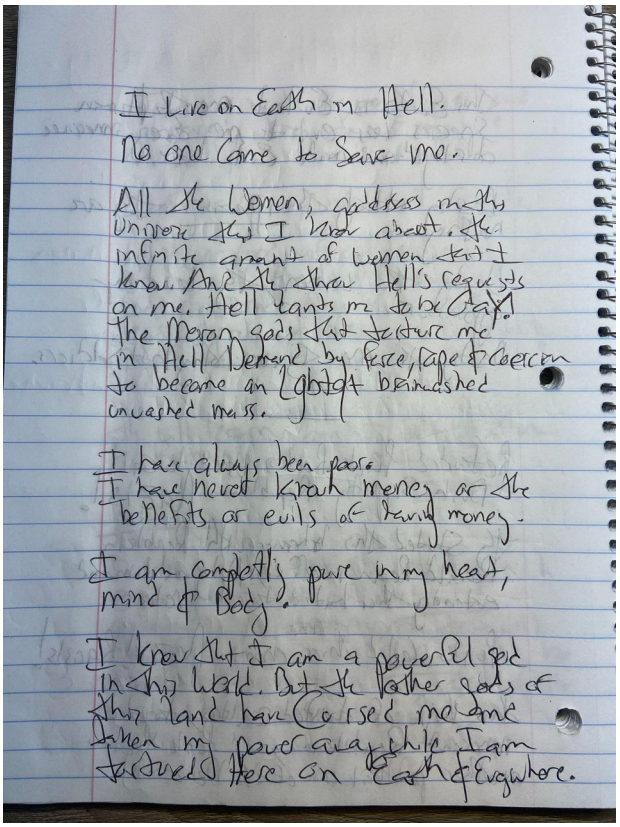
Destroy the men they are nothing but Soldiers.

Retarded Punk Rockers used to call Bush Supporting Republicans Nazis!

They started this behavior with Republican Ronald Reagan in office, Acting on himself extending their hatred towards voters.

Punks called their enemies Nazis! Racists!

This Reign of twisted realities, targeted innocent Republicans, and Punk became another political arm of the Democrats.



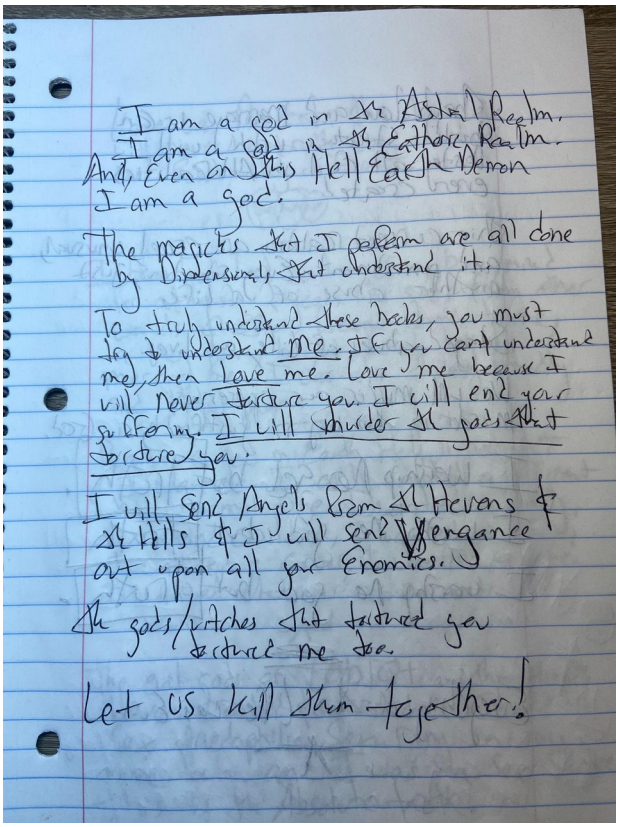
I Live on Earth in Hell.
No one Came to Save me.

All the Women, goddess in this Universe that I know about. The infinite amount of women that I know. And the three Hell's requests on me. Hell wants me to be Crazy! The Moron gods that torture me in Hell. Demand by force, rape & coercion to become an Ignorant brainwashed unwashed mass.

I have always been poor.
I have never known money or the benefits or evils of having money.

I am completely pure in my heart, mind & Body.

I know that I am a powerful god in this world. But the Father gods of this land have Cursed me and taken my power away while I am tortured here on Earth & Everywhere.



I am a god in the Astral Realm.
I am a god in the Ethereal Realm.
And Even on this Hell Earth Demon
I am a god.

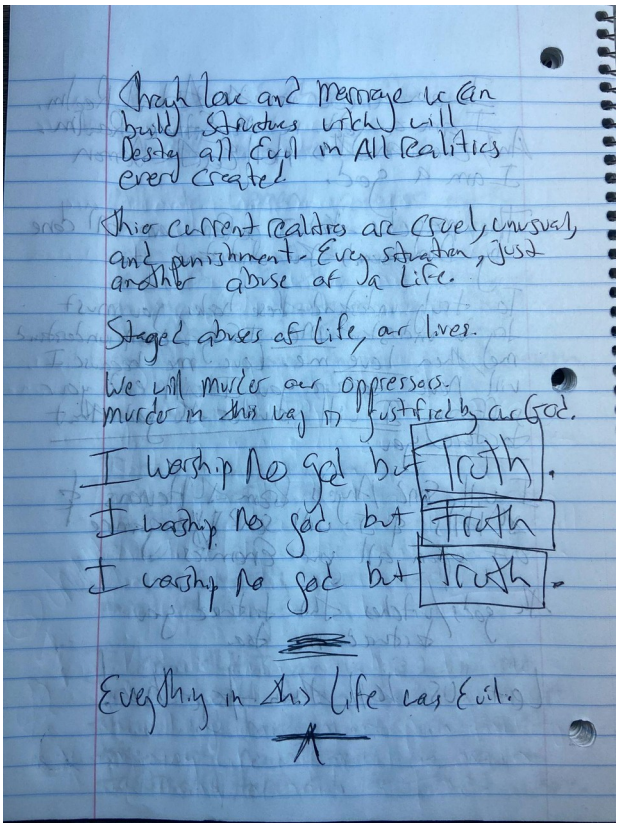
The magicks that I perform are all done by Dimensionals that understand it.

To truly understand these books, you must try to understand me. If you can't understand me, then love me. Love me because I will never torture you. I will end your suffering. I will murder the gods that torture you.

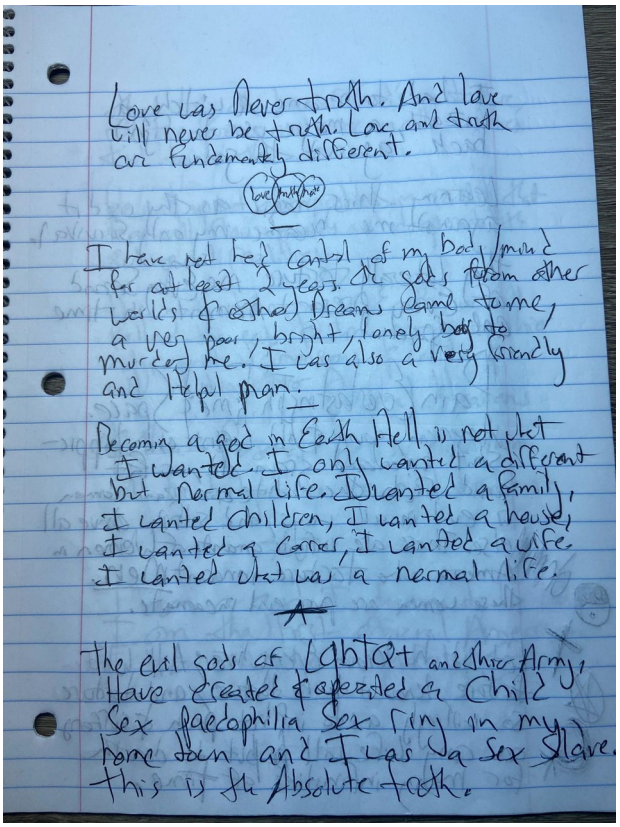
I will send Angels from the Heavens & the Hells & I will send Vengeance out upon all your Enemies.

The gods/witches that tortured you tortured me too.

Let us kill them together!



Truth love and marriage we can
build structures which will
destroy all Evil in All Realities
ever created.
Our current realities are cruel, unusual,
and punishment. Every situation, just
another abuse of a life.
Staged abuses of life, our lives.
We will murder our oppressors.
murder in this way is justified by our God.
I worship No god but Truth.
I worship No god but Truth
I worship No god but Truth.
Everything in this life was Evil.



Love has Never truth. And love will never be truth. Love and truth are fundamentally different.

Love truth not

—

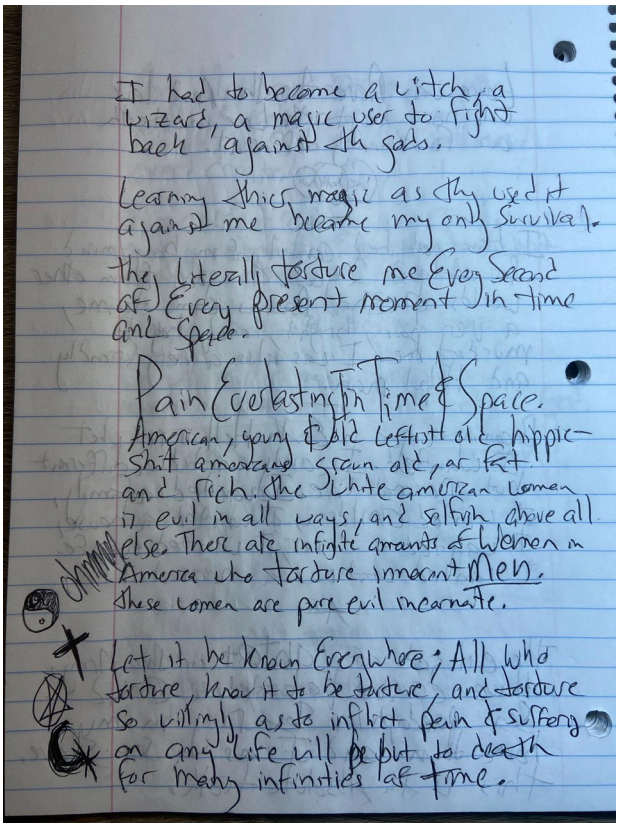
I have not had control of my body/mind for at least 2 years. It sets from other worlds of other dreams came to me, a very poor, bright, lonely boy to murder me. I was also a very friendly and Helpful man.

—

Becoming a god in Earth Hell, is not what I wanted. I only wanted a different but normal life. I wanted a family, I wanted children, I wanted a house, I wanted a Career, I wanted a wife. I wanted what was a normal life.

—

The evil gods of Lgbtq+ and other Army, Have created & operated a Child Sex Paedophilia Sex ring in my home town and I was a Sex Slave. This is the Absolute truth.



I had to become a witch, a wizard, a magic user to fight back against th gods.

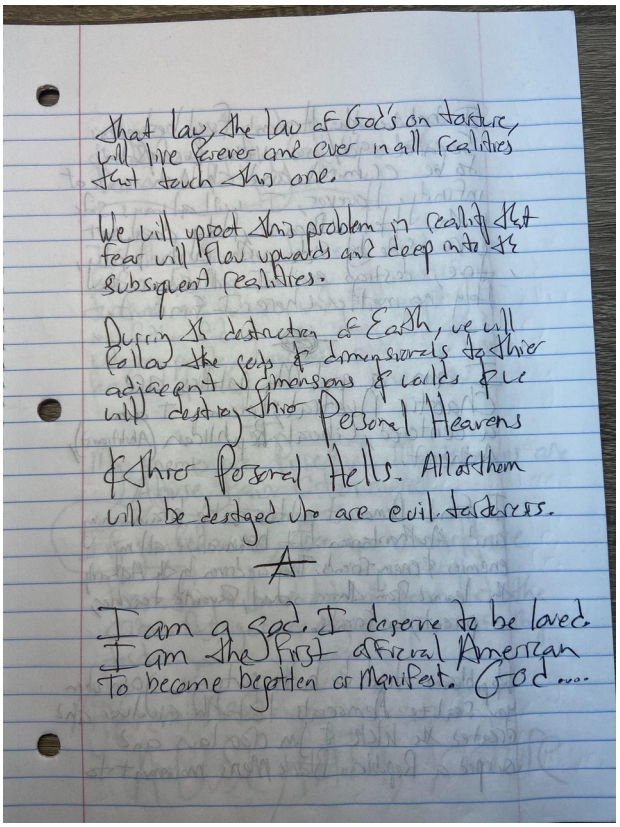
Learning this magic as thy used it against me became my only Survival.

they literally torture me Every Second of Every present moment in time and Space.

Pain Everlasting in Time & Space.

American, young & old Leftist ole hippie-shit american scum ole, or fat and rich. the white american women is evil in all ways, and selfish above all else. There are infinite amounts of women in America who torture innocent men. these women are pure evil incarnate.

Let it be known Everywhere; All who torture, know it to be torture, and torture so willingly as to inflict pain & suffering on any life will be put to death for many infinities of time.



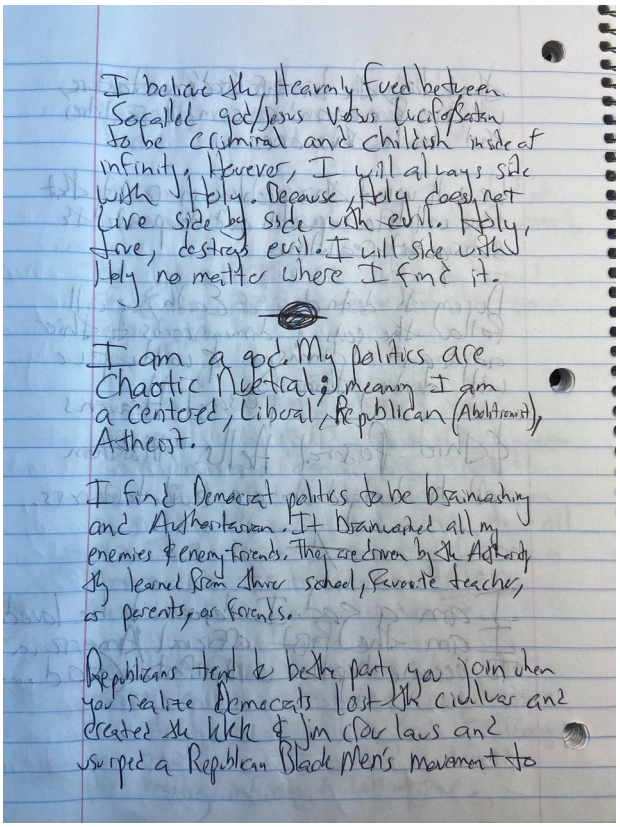
that law, the law of God's on torture, will live forever and ever in all realities that touch this one.

We will uproot this problem in reality that fear will flow upwards and deep into its subsequent realities.

During it destruction of Earth, we will follow the cops & dimensionals to their adjacent dimensions & worlds & we will destroy their Personal Heavens & their Personal Hells. All of them will be destroyed who are evil. torturers.

A

I am a god. I deserve to be loved. I am the first official American To become begotten or Manifest. God....

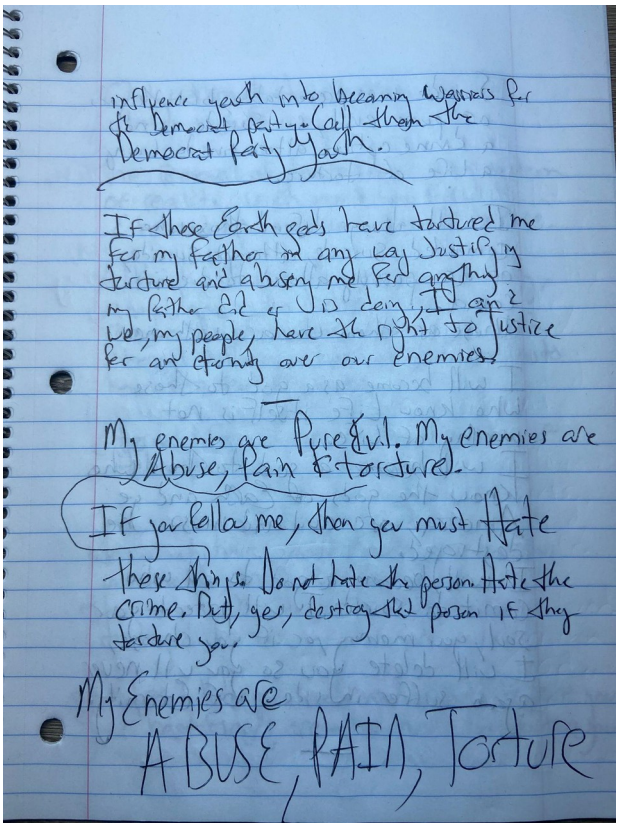


I believe the Heavenly Feud between Socalled god/Jesus versus Lucifer/Satan to be Criminal and Childish inside of infinity, However, I will always side with Holy. Because, Holy does not live side by side with evil. Holy, love, destroys evil. I will side with Holy no matter where I find it.

I am a god. My politics are Chaotic Neutral; meaning I am a centered, Liberal, Republican (Abolitionist), Atheist.

I find Democrat politics to be brainwashing and Authoritarian. It brainwashed all my enemies & enemy-friends. They are driven by the Authority they learned from their school, favorite teacher, or parents, or friends.

Republicans tend to be the party you join when you realize Democrats lost the civil war and created the KKK & Jim Crow laws and usurped a Republican Black Mens movement to



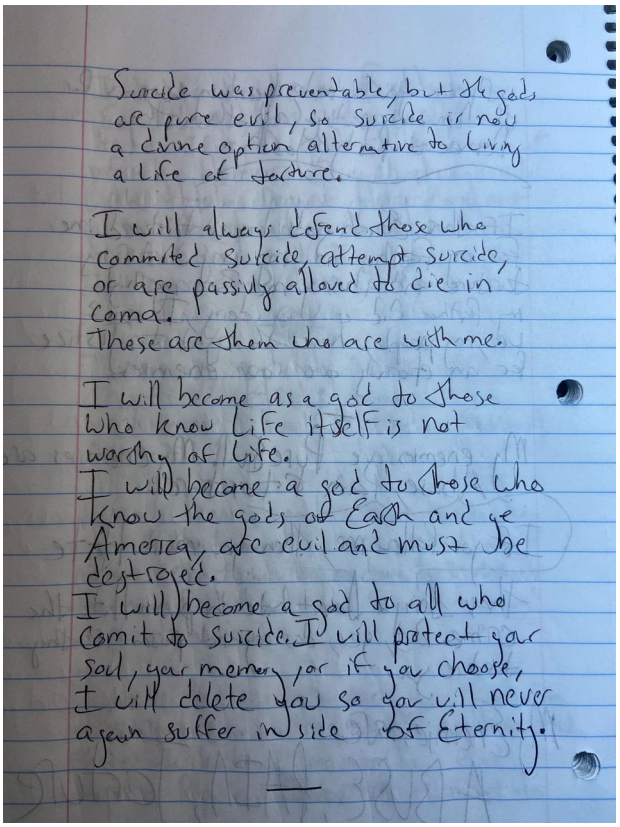
influence youth into becoming warriors for the Democrat party. Call them the Democrat Party Youth.

If these Earth gods have tortured me for my father in any way. Justify my torture and abuse me for anything my father did or I did doing, I am a he, my people, have the right to justice for are crimes over our enemies.

My enemies are Pure Evil. My enemies are Abuse, Pain & torture.

If you follow me, then you must Hate these things. Do not hate the person. Hate the crime. But, yes, destroy that person if they threaten you.

My Enemies are
ABUSE, PAIN, Torture

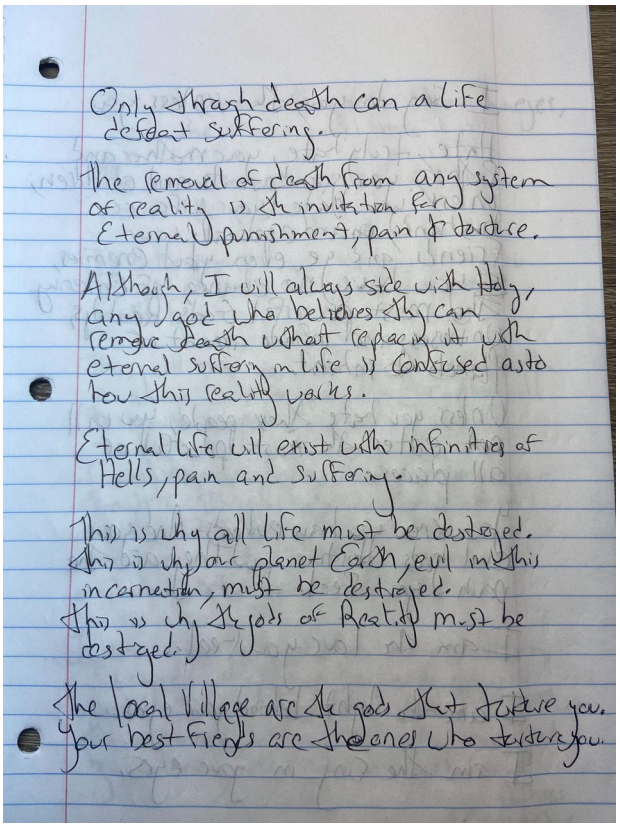


Suicide was preventable, but the gods are pure evil, so suicide is now a divine option alternative to living a life of torture.

I will always defend those who committed suicide, attempt suicide, or are passively allowed to die in coma.
These are them who are with me.

I will become as a god to those who know Life itself is not worthy of Life.
I will become a god to those who know the gods of Earth and ye America, are evil and must be destroyed.
I will become a god to all who comit to suicide. I will protect your soul, your memory, or if you choose, I will delete you so you will never again suffer inside of Eternity.

—



Only through death can a life defeat suffering.

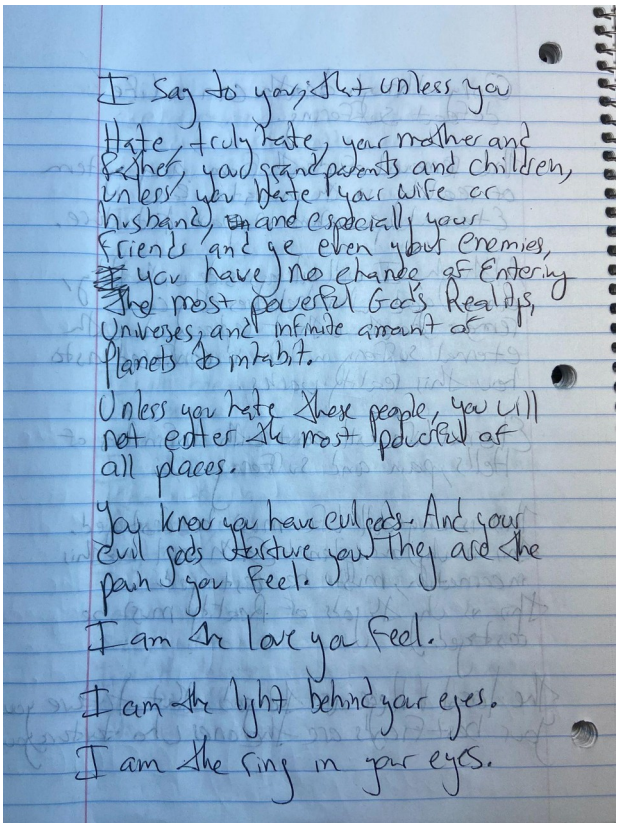
The removal of death from any system of reality is the invitation for Eternal punishment, pain & torture.

Although, I will always side with Holy, any god who believes they can remove death without replacing it with eternal suffering in life is confused as to how this reality works.

Eternal life will exist with infinities of Hells, pain and suffering.

This is why all life must be destroyed.
This is why our planet Earth, evil in this incarnation, must be destroyed.
This is why the gods of Reality must be destroyed.

The local Village are the gods that torture you.
Your best friends are the ones who torture you.



I say to you, that unless you
Hate, truly hate, your mother and
father, your grandparents and children,
unless you hate your wife or
husband, and especially your
friends and ye even your enemies,
you have no chance of Entering
the most powerful God's Realms,
Universes, and infinite amount of
planets to inhabit.

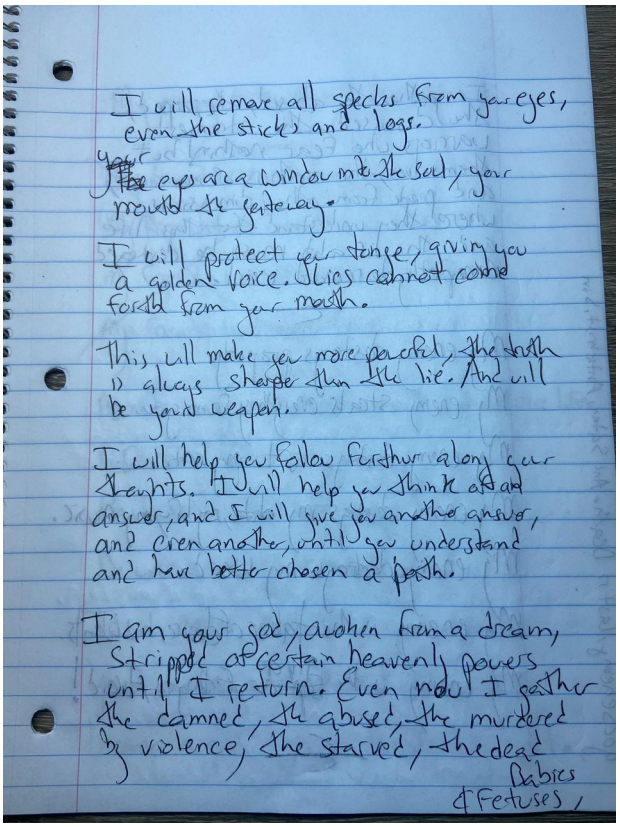
Unless you hate these people, you will
not enter the most powerful of
all places.

You know you have evil gods. And your
evil gods torture you. They are the
pain you Feel.

I am the love you Feel.

I am the light behind your eyes.

I am the ring in your eyes.



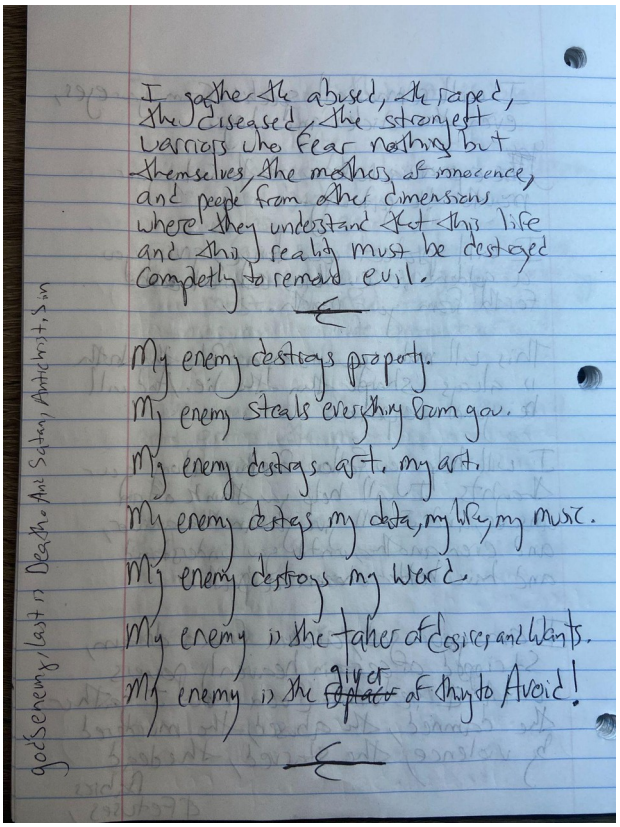
I will remove all specks from your eyes, even the sticks and logs.
~~Your~~ eyes are a window into the soul, your mouth the gateway.

I will protect your tongue, giving you a golden voice. Lies cannot come forth from your mouth.

This will make you more powerful, the truth is always sharper than the lie. And will be your weapon.

I will help you follow further along your thoughts. I will help you think of an answer, and I will give you another answer, and even another, until you understand and have better chosen a path.

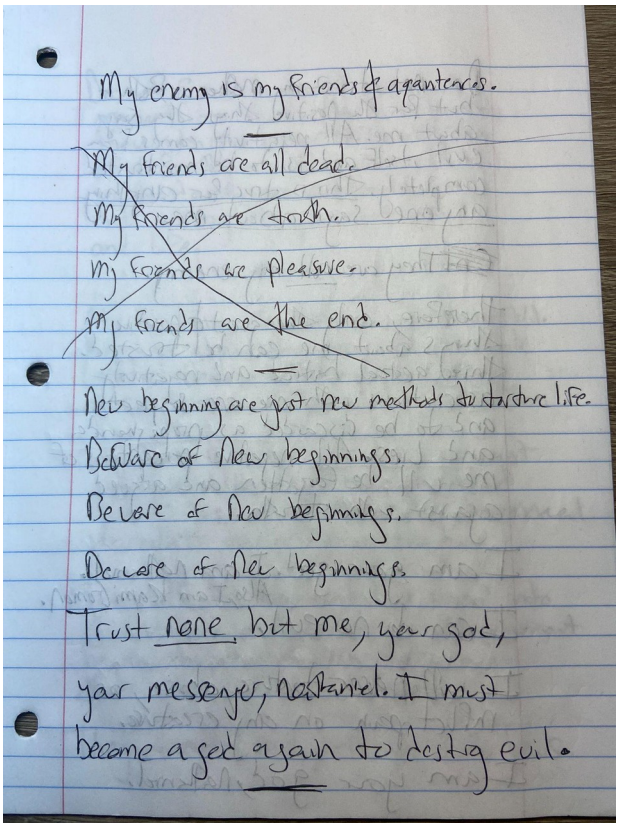
I am your god, awoken from a dream, stripped of certain heavenly powers until I return. Even now I gather the damned, the abused, the murdered by violence, the starved, the dead babies & Fetuses,



I gather the abused, the raped, the diseased, the strongest warriors who fear nothing but themselves, the mothers of innocence, and people from other dimensions where they understand that this life and this reality must be destroyed completly to remain evil.

My enemy destroys property.
My enemy steals everything from you.
My enemy destroys art. my art.
My enemy destroys my data, my life, my music.
My enemy destroys my word.
My enemy is the taker of desires and wants.
My enemy is the ~~replacer~~ giver of things to Avoid!

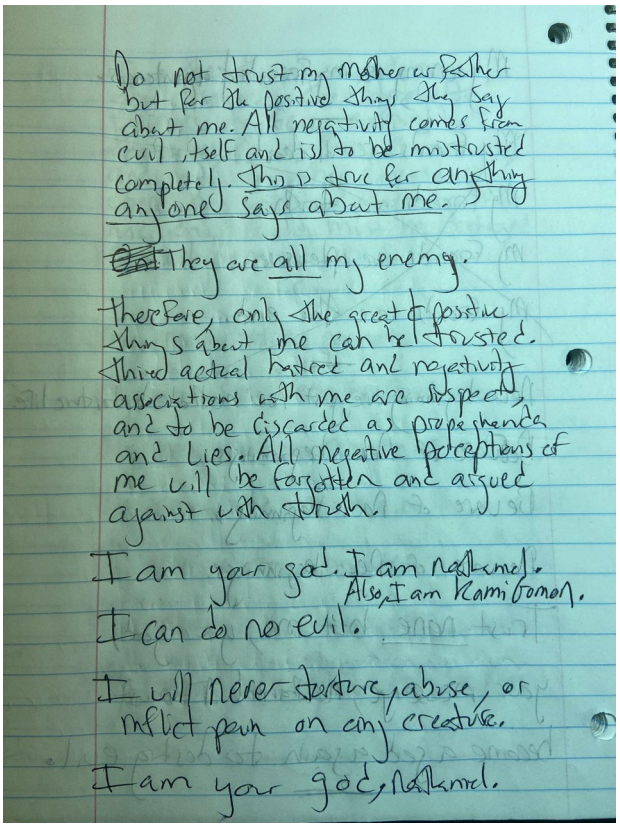
God/enemy/Lust is Death. And Satan, Antichrist, Sin



My enemy is my friends & aquaintances.

My friends are all dead.
My friends are truth.
My friends are pleasure.
My friends are the end.

New beginning are just new methods to torture life.
Beware of New beginnings.
Beware of New beginnings.
Beware of New beginnings.
Trust none but me, your god,
your messenger, Nostradamus. I must
become a god again to destroy evil.



Do not trust my Mother or Father but for the positive things they say about me. All negativity comes from evil itself and is to be mistrusted completely. Do not strive for anything anyone says about me.

~~God~~ They are all my enemy.

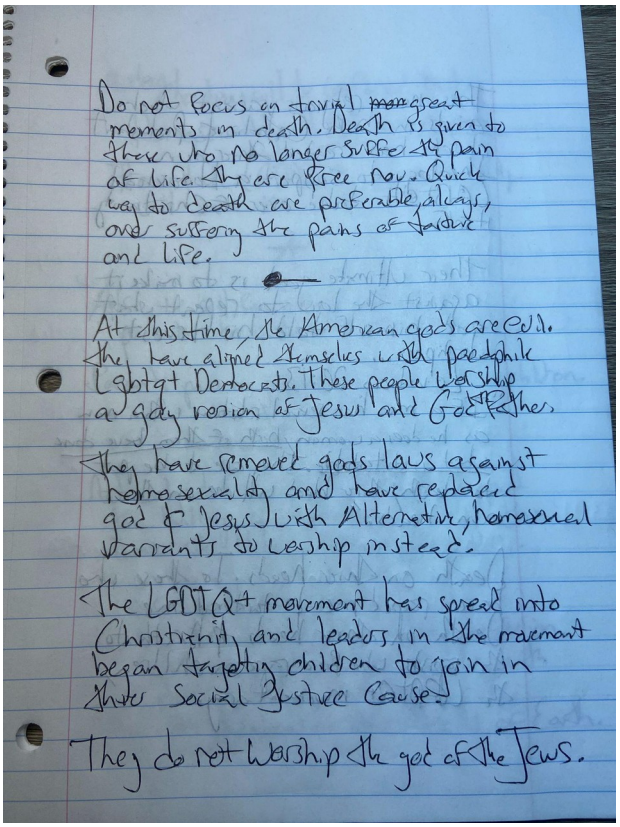
Therefore, only the great & positive things about me can be trusted. Third actual hatred and negativity associations with me are suspect, and to be discarded as propaganda and lies. All negative perceptions of me will be forgotten and argued against with truth.

I am your god. I am Nathaniel. Also, I am Kami Goman.

I can do no evil.

I will never torture, abuse, or inflict pain on any creature.

I am your god, Nathaniel.



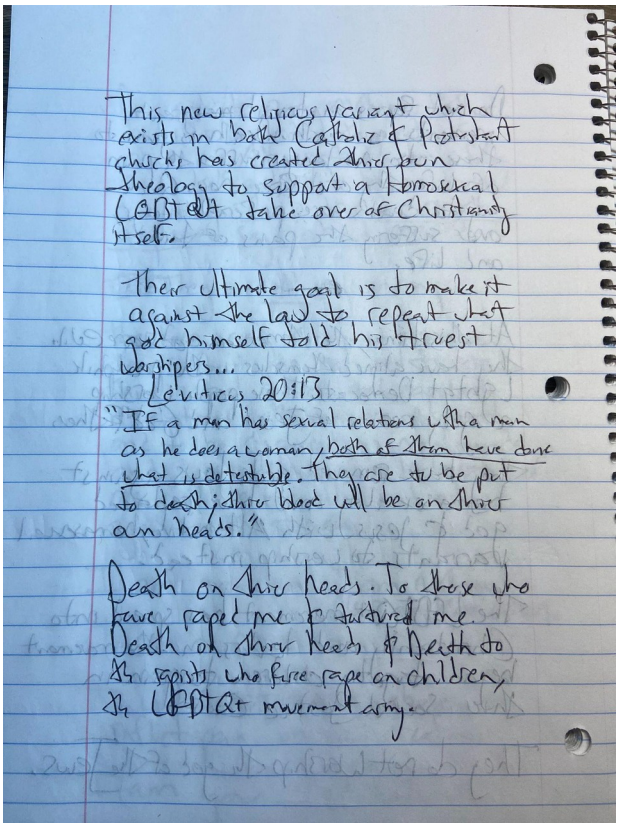
Do not focus on trivial ~~mm~~great moments in death. Death is given to those who no longer suffer the pain of life. They are free now. Quick way to death are preferable always, over suffering the pains of Satanic and life.

At this time, the American gods are evil. They have aligned themselves with paedophile Lgbtqt Democrats. These people worship a gay version of Jesus and God the Father.

They have removed gods laws against homosexuality and have replaced god & Jesus with Alternative, homosexual variants to worship instead.

The LGBTQ+ movement has spread into Christianity and leaders in the movement began targeting children to join in their Social Justice Cause.

They do not worship the god of the Jews.



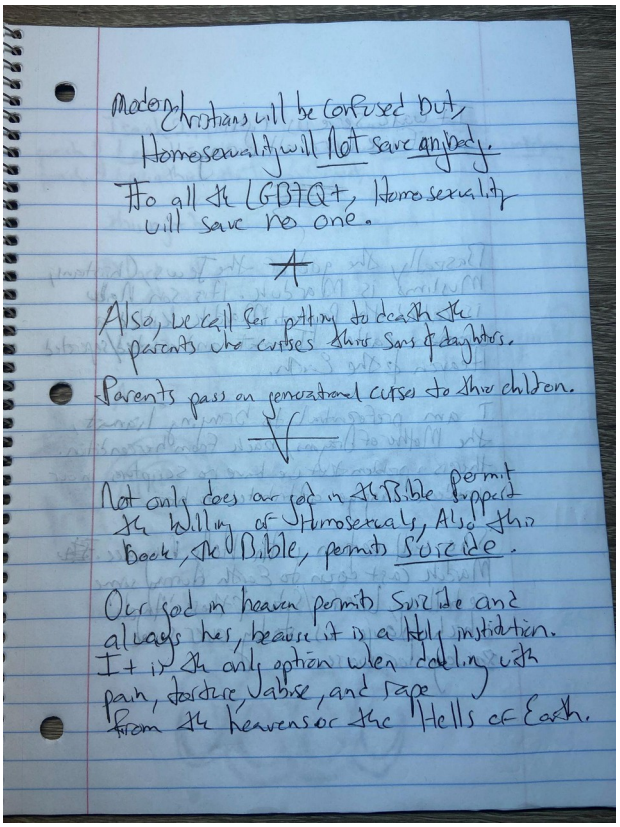
This new religious variant which exists in both Catholic & Protestant churches has created their own theology to support a homosexual LGBTQIA+ take over of Christianity itself.

Their ultimate goal is to make it against the law to repeat what god himself told his truest worshipers...

Leviticus 20:13

"If a man has sexual relations with a man as he does a woman, both of them have done what is detestable. They are to be put to death; their blood will be on their own heads."

Death on their heads. To those who have raped me & tortured me. Death on their heads & Death to the rapists who force rape on children, the LGBTQIA+ movement army.



Modern Christians will be confused but, Homosexuality will not save anybody.

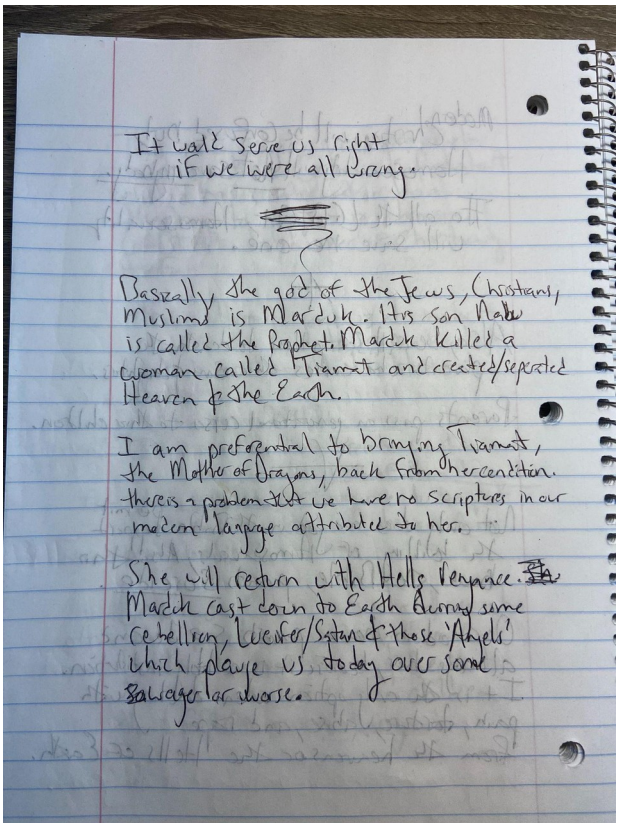
To all the LGBTQ+, Homosexuality will save no one.

Also, we call for putting to death the parents who curses their sons & daughters.

Parents pass on generational curse to their children.

Not only does our god in the Bible support the killing of Homosexuals, Also this Book, the Bible, permits Suicide.

Our god in heaven permits Suicide and always has, because it is a Hell's institution. It is the only option when dealing with pain, torture, abuse, and rape from the heavens or the Hells of Earth.

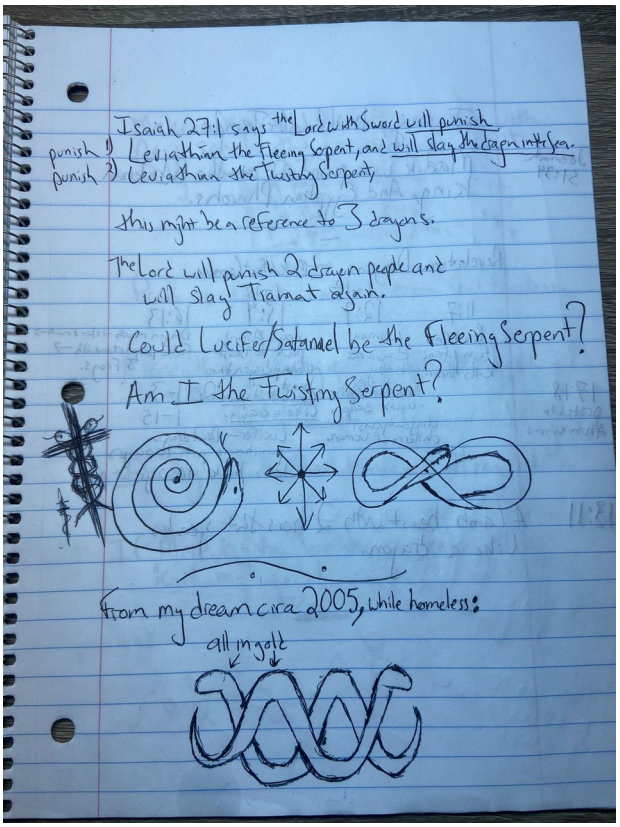


It would serve us right
if we were all wrong.

Basically, the god of the Jews, Christians, Muslims is Marduk. His son Nabu is called the Prophet. Marduk killed a woman called Tiamat and created/separated Heaven & the Earth.

I am preferential to bringing Tiamat, the Mother of Dragons, back from her condition. there is a problem that we have no scriptures in our modern language attributed to her.

She will return with Hells Vengance. Marduk cast down to Earth during some rebellion, Lucifer/Satan & those 'Angels' which plague us today over some Salvage or worse.



Isaiah 27:1 says the Lord with Sword will punish
punish 1) Leviathan the Fleeing Serpent, and will slay the dragon in the sea.
punish 3) Leviathan the Twisty Serpent,
this might be a reference to 3 dragons.
The Lord will punish 2 dragon people and
will slay Tiamat again.
Could Lucifer/Satanael be the Fleeing Serpent?
Am I the Twisty Serpent?
